Dear Shivam Pawale,

We are thrilled to offer you the position of Junior Technical Engineer Intern at Career Credentials! Your strong technical background and passion for mentorship truly impressed us, and we're excited to have you join our team.

In this dynamic role, you'll be responsible for managing key elements of our Learning Management System (LMS), ensuring a smooth and effective learning experience for our students. A significant part of your contribution will involve mentoring junior coders, guiding them through their training and helping them build essential skills. Additionally, you'll support us with other office-related tasks, including enhancing our social media presence.

We believe this internship offers a fantastic opportunity for you to apply your technical knowledge, hone your leadership skills, and gain valuable experience across various aspects of our operations.

Please reply to this email to confirm your acceptance of this offer. Once we hear from you, we'll reach out to finalize your start date and discuss the onboarding process in more detail.

We look forward to welcoming you to the Career Credentials family!

Best regards,

Amar Panchal
